

Help Support Sea Notes Choral Society

“Friends of Sea Notes” are a remarkable group of music enthusiasts in and around our community. They express their interest in good music by actively supporting the Sea Notes Choral Society with their financial gifts. In addition to the satisfaction they get seeing the chorus perform in concert attire, “Friends of Sea Notes” are recognized in the program and are given reserved seating for each of the three concerts for their families and friends. The number of concert passes received is connected to the financial gift. All financial gifts to the Sea Notes Choral Society, a non-profit 501 3(c) organization, are tax deductible to the extent allowed by law.

There are different levels of contributions for “Friends”. (*Check level*)
